PAYMENT & CANCELLATION POLICY

- All students are required to pay for his or her current lesson upon enrollment. In order to reserve a weekly lesson, all students are required to prepay for their following weekly lesson. Students may also elect to remit monthly lesson payments.
- DCSOR understands from time to time, students may need to cancel a lesson. A **24 hour** cancellation notice is required in order for the prepayment to be applied to the next weekly scheduled lesson. A **4 hour** cancellation notice is required in order for prepayment to be applied to a rescheduled lesson within the same week that the cancellation occurs.
- Failure to provide a **4 hour** or **24 hour** cancellation notice will result in a forfeit of the prepayment.
- Lessons that are cancelled as a result of inadequate cancellation notice or “no shows” will only be rescheduled upon prepayment for the upcoming lesson.
- DCSOR accepts VISA & MASTERCARD, but prefers **CASH** or **LOCAL CHECKS** as payment options for lessons.
